

DESIGNER
ANDERS HERMANSEN
(1960)

Anders Hermansen is a designer from the Royal Danish Academy of Fine Arts, mastering industrial design and furniture architecture. He graduated in 1982 at the age of only 22. As a recent graduate, he began working for Danish design companies such as Louis Poulsen Paustian and Bang & Olufsen.

Significant for Hermansen is his unique handmade wire sketch furniture.

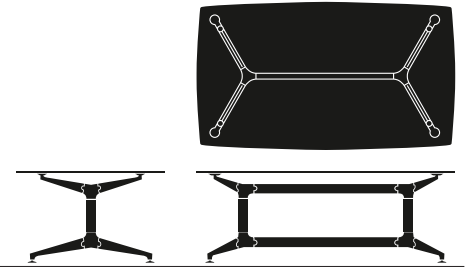

JOINT

Anders Hermansen designed JOINT for Engelbrechts in 2012. The series consist of exclusive chairs and tables, complimenting each other in form and expression. JOINT is characterized by the use of exclusive materials, especially aluminum, which is reflected in the chairs as well as the tables.

Round or rectangular? JOINT tables meet the needs, and is available in transparent glass, veneer, linoleum or laminate.
