1564	D 35 × L 35 × H 146.5	603
1565	D 35 × L 35 × H 181.5	710
1566	D 35 × L 35 × H 216.5	832
1567	D 35 × L 35 × H 251.5	955

POISE® Accessories & parts

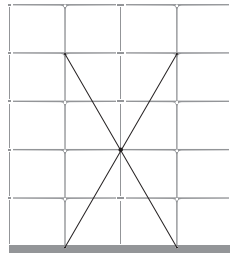

CROSS BRACE 1281

Height: 2-3 modules

1 set 103

- Model** All modules (except corner and single modules)
- Material** Zinc brackets, steel wire
- Used for** 2x2 modules. One cross brace is recommended for every third socket.
- Note** The cross brace can be mounted on both sides of the system

CROSS BRACE 1282

Height: 4-6 modules

1 set 126

- Model** All modules (except corner and single modules)
- Material** Zinc brackets, steel wire
- Used for** 2x4 modules. One cross brace is recommended for every third socket.
- Note** The cross brace can be mounted on both sides of the system

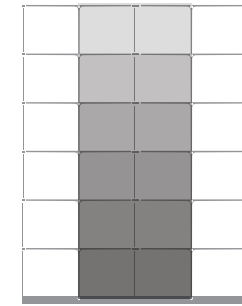

BANNER MOUNTINGS 1285

4 brackets, 2 steel profiles, Ø12 mm

1 set 63

- Model** All modules (except corner and single modules)
- Material** Steel profiles, zinc brackets

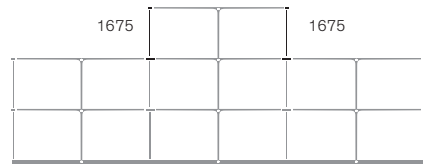

BANNER SIZES

Engelbrechts does not offer print services

1 module	38.5 cm
2 modules	73.5 cm
3 modules	108.5 cm
4 modules	143.5 cm
5 modules	178.5 cm
6 modules	213.5 cm
7 modules	248.5 cm

Note Above measurements are with +/- 10 mm tolerance pending on type of media. Consult your banner supplier prior to ordering.

END / START WIRE & BRACKETS 1675

Parts to configurations in various heights

1 set 27

- Model** All modules
- Material** Zinc brackets & steel wire

CEILING BRACKET 1287

Accessories for mounting to the ceiling. Max distance from ceiling to shelving system: 110 cm (does not replace cross brace)

1 set 28

- Model** All modules
- Material** Zinc brackets & steel wire

WALL BRACKETS 1286 / 1288

Accessories for mounting to the wall

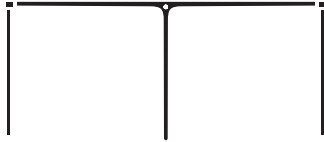

≤5 cm to the wall (1286) 14

- Model** All modules
- Material** Zinc brackets

≤10 cm to the wall (1288) 20

- Model** All modules
- Material** Zinc brackets
